

Stone Soup Scholarship Request Form

A note to the parents:

Each year we have a number of organizations and individuals who are willing to donate money so that campers whose families are experiencing financial hardship will not be excluded from camp. Each year we are unsure of the amount of funds we will secure for scholarships until fairly close to our camp date. We ask that you also consider a variety of ways you can receive assistance in sending your child to camp. Examples would be asking family to help for a Christmas or birthday gift for the child, apply to a respite organization if your child is in a respite care program, apply for scholarship funds through agencies that work with your child in regards to behavioral issues, and of course, through our annual Jingle Jog. It is our desire for every child who wants to come to camp to be able to attend. By working together we can allow the funds to cover as many campers as possible for an amazing week of camp.

Thank you,

Tamila Burt
